

The CWB acknowledges that

Warner Shelter Systems Limited

9811 44 St SE, Calgary, AB T2C2P7

is certified to **CSA Standard W47.1**

"Certification of Companies for Fusion Welding of Steel"

in **DIVISION 2**

for the period **May 6, 2010 to June 5, 2011**

Company Code: WARSH1

Scope: Warner Shelter Systems Limited (WSSL) is a fabricator of tents and fabric-clad structures and all welding performed is associated with the required internal supporting structure and related miscellaneous steel details. All fabrication welding is conducted in the shop using the GMAW process. Shop welding is carried out on light gauge mild steel. Due to the limited thickness ANSI/AWS D1.3-98 "Structural Welding Code - Sheet Steel" governs most of the welding with the CSA W47.1 Standard covering the remaining work.

A handwritten signature in black ink, appearing to be 'Jim', written over a horizontal line.
