RE: Thank you from the Rotary Okanagan International Children's Festival

Dear Mr. Warner,

I would like to take this opportunity to thank you on behalf of our board of directors and some very excited and appreciative children for your generous in kind sponsorship towards the purchase of our first festival owned tent. Your support will have a positive effect on not only our festival but many other community groups for years to come.

The mission of the Rotary Okanagan International Children's Festival is to provide exposure to exceptional quality performing arts and participatory activities that are entertaining, educational and accessible to children from all economic, social and ethnic backgrounds.

Not only did your logo appear on the tent itself but also on our general public brochure, poster and on our website Sponsor page. Your name appeared on prominent signage on the festival grounds and will appear in our Thank You letter to all sponsors and supporters to be published in the Penticton Herald and the Western. Your contribution will also be recognized at the Vaudeville Night on May 28.

Thanks again for helping make the 2010 festival a tremendous success.

Sincerely,

Gord Osland
Executive Director
