## DOME STAGECOVER

### DISTINCTIVE

Unique, portable outdoor stagecovers with graceful dramatic lines in various attractive colours.

### VERSATILITY/FLEXIBILITY

The Arabesque patented framing adjusts to fit a range of ground conditions and stage widths.

### EASY TO ASSEMBLE

All assembly is at ground level. Parts are interchangeable.

### SAFE AND DEPENDABLE

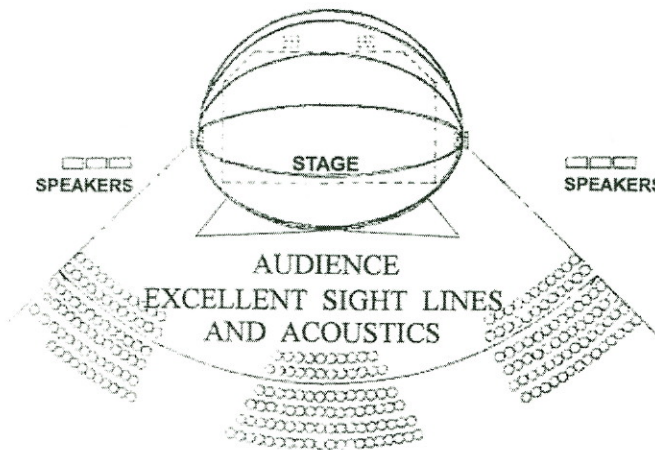

The cover bears low uniformly distributed tension. The aerodynamic design reduces wind loading.

### CLEAR SPAN FRAME

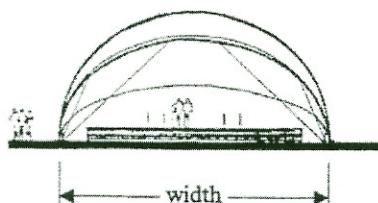

The arch frame of curved interchangeable trusses provides an obstruction free interior.

### SUPERB ACOUSTICS

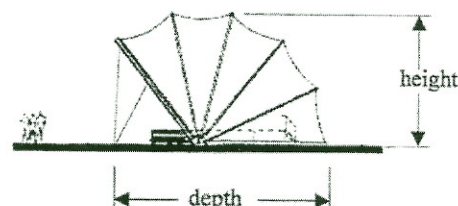

The curved, tension cover of the Arabesque delivers clear sound projection.
